103 2011 CHARDONNAY COLLECTION FROM CRUCIBLE WINES

Add 7 Bottles of 2011 Chardonnay from Crucible Wines to your personal collection or gift them to friends and family this holiday season.

More about this collection:

The 2011 Chardonnay is a blend of 66% Benches Vineyard and 34% Copeland Vineyard that was whole cluster pressed before being fermented in neutral French oak barrels. After fermentation it was aged on the lees for a year, then racked and aged another year before bottling. It has all of the power of an oaked Chardonnay but without the big okay overtones. Instead it is rich and somewhat creamy but clean and pure like a stainless aged wine.

237 NEW CHRISTMAS TRADITIONS
Adopt new family traditions this holiday season with Elf on the Shelf and holiday story reading with Amazon Echo.

Tradition 1) Download the Amazon "Audible" App on your smart-phone and then have fun purchasing your favorite holiday books on audio with a \$100 Amazon gift card. Then ask Alexa (on the Echo device) to read your stories time and time again.

Amazon Echo is a hands-free speaker you control with your voice. Echo connects to the Alexa Voice Service to play music, make calls, send and receive messages, provide information, news, sports scores, weather, and more—instantly. All you have to do is ask.

Tradition 2) How does Santa really know who's been naughty or who's been nice. After much urging by the elves and Mrs. Claus, Santa has allowed his biggest secret to be revealed in the book, The Elf on the Shelf: A Christmas Tradition. Santa has partnered each book with a magical scout elf which children name. They can then visit the North Pole (elf on the shelf website) to register their elf's name in the Hall of Registry and print their official elf adoption certificate. All Santa approved, of course. This box set includes: Elf, Storybook, DVD and a Keepsake Box.

Since our first vintage in 1999, our goal has been simple; to produce beautiful wines from superior sites in the Pacific Northwest. A place where the fruit ripens slowly and fully, resulting in excellent acidity and balance. All of our grapes are hand harvested, handled with minimal processing, small-lot fermented and aged in French oak barrels.

About this wine:

95% Cabernet Sauvignon, 5% Petite Verdot. A power-house wine with an extremely supple texture and rich flavors that are pure and defined. All of the grapes came from Dineen Vineyard in Zillah, WA. The fermentation was long and cool, resulting in a wine that is at once subtle and deeply powerful. It was aged for 30 months in 50% new French oak.
